

SVUSD SCHOOL VOLUNTEER PROCEDURES

Volunteer help is defined as an adult providing help and performing duties for students at a school site without compensation.

Types of Volunteers

1. **Type One: Parent Club and Special Event Volunteers***

These volunteers provide assistance with snack bars, chaperone dances, set up special activities, drive students on field trips and other limited events or special occasions. They work with other volunteers, are supervised by certificated staff, and do not have direct responsibility for supervising students.

- These volunteers are required to complete the *Volunteer Information Form* that includes name, address and phone number, a brief description of service to be provided, a copy of their driver's license, and name of supervisor.
- Proof of full and complete COVID-19 vaccination(s). (A full and complete COVID-19 vaccination is defined as TWO doses of the Pfizer and Modern vaccines or ONE dose of the Johnson & Johnson vaccine.)

2. **Type Two: Other Volunteers ***

These volunteers perform entry-level tasks that require little to no training in an administrative or academic setting. These volunteers are not to replace classified workers. These volunteers are supervised and are not to be alone with students. Volunteers who work five hours or more each week are required to meet the following conditions:

- Completion of a *Volunteer Information Form* which includes name, address and phone number, a brief description of service to be provided, a copy of their driver's license, and name of supervisor.
- A valid tuberculosis (TB) test clearance.
- Proof of full and complete COVID-19 vaccination(s). (A full and complete COVID-19 vaccination is defined as TWO doses of the Pfizer and Modern vaccines or ONE dose of the Johnson & Johnson vaccine.)
- No volunteer may provide services until the form, proof of COVID-19 vaccination(s) and TB clearance are completed and on file with the principal.

NOTE: *Classified Personnel clearance is not required for volunteer types 1 & 2 above; however, proper documentation must be approved and on file with the principal at the school site.

3. **Type Three: Special Circumstances**

Parents chaperoning students on overnight field trips may not always be under the direct supervision of certificated personnel and **must be fingerprinted and have a clear TB test**. Please refer to *Overnight Volunteer/Chaperone Requirements*.

The Principal/Office Manager should contact Classified Personnel to obtain fingerprint and TB test forms for all parents chaperoning. Once the parent returns the completed and processed fingerprint and TB test forms to site, the Principal/Office Manager will submit copies of all required documents to Classified Personnel. This includes: a completed *SVUSD Volunteer Information Form* and a copy of *their driver's license*.

- Copy of completed and processed fingerprint form.
- Copy of completed TB test clearance from doctor's office.
- Proof of full and complete COVID-19 vaccination(s). (A full and complete COVID-19 vaccination is defined as TWO doses of the Pfizer and Modern vaccines or ONE dose of the Johnson & Johnson vaccine.)

Volunteer types 1, 2, and 3 above who are driving on field trips must also complete the *Field Trip by Private Vehicle Driver's Statement* and submit required documentation (copies of driver's license, registration, and insurance with limits of \$100/300).

The cost for the TB test and fingerprinting shall be the responsibility of the volunteer, unless the school site agrees to cover the cost
